POST AND PICKETS

Need to purchase a North Fort post and mailbox?

Confirm the address below for yourself before going. As of the last check, search engines will send you to both Dunn and Erwin and the https://postandpickets.net/ address doesn't appear to be active these days.

As of early November 2026, it looked like their Facebook info is being kept current. https://www.facebook.com/p/Post-and-Pickets-100091997806044/

The last time we checked, for a full mailbox system with install and tax:

$389.00 + installation $185.00 + Tax = $615.62.

Just the finial post: $81.11 (after tax and shipping).

Replacement parts available for the whole system

including the vinyl numbers (if interested in a refresh).
